**First production plant inspection in F – 53941 Saint Berthevin, Bd. Des Loges
ZI, 134**

Dear Ms. Chateau,

Our inspector, Mr. Ebinghaus, visited your production plant named above on 12.12.2006. During this inspection quality assurance measures aimed at assuring consistent production quality were checked as called for in § 4 of the German Equipment and Product Safety Act (Geräte- und Produktsicherheitsgesetz) and our Testing and Certification Regulation.

Our inspection produced the following result:

The requirements are fulfilled such that a consistent production quality of the products can be assumed. This assessment led to a classification of your quality system, for which the next periodical Follow-up inspection will be necessary in 24 months. We will be contacting you in good time to arrange a suitable appointment date.

Sincerely
Follow-up
