

GYSLINER

Gysliner is a complete dent pulling workstation, essential for repairing small, medium and big dents (sill, wheelhouse, car fender...)

Thanks to Gysliner you can :

- Remove dents without disassembling vehicle fittings
- Repair without replacing
- Reduce the down-time
- Increase your margin
- Improve your profitability

**Sill straightening :
30 mn instead of 3 h**

= GYSLINER Ref.034594
